Rome, 21 March 2024

Dear Guest,

on behalf of the Green Weddings Foundation I am very pleased to welcome you to our country and to our project.

On April 21, 753 BC it is Rome's Christmas Day, when, according to historical tradition, Romulus founded Rome and became its first king. So, in exactly one month Rome will be 1270 years old. Despite the age, this city is still very beautiful as you will see in the next few days.

I hope that your stay in Rome will be interesting and fun and that it will facilitate business development to ensure good professional results in the coming period. Our entire organization will be ready to fulfill every wish and satisfy every need.

We therefore remain at your disposal. Thank you again for your presence and best wishes for success.

The President
Armando Soldaini
